Installation

The **TANGO E5 Series II** is designed to maintain your lawn automatically meaning you can enjoy the more important aspects of life.

Mows in a random pattern to keep your lawn looking perfect. It detects obstacles and the boundary wire automatically and even adapts to patches of longer grass on the move. A cleanup lap around the entire garden boundary keeps all the edges tidy. It is quiet and can mow at night without disturbing anyone.

Charges in docking bay.

15kg, cutting height 19-102mm

Mowing time 90 minutes (with one battery load)

Suggested area no bigger than 2,200m²

PEACE OF MIND

In today's farming economic climate when effective cash flow management is key, a maintenance plan for your new or used machine could be an ideal solution for your farm business. They help you control your costs and provide peace of mind that your machines are covered

RVT MAINTENANCE PLANS

JOHN DEERE POWERGARD

John Deere PowerGard agreements can help protect you against unexpected repair costs and allows you to budget and even out cashflow. These packages provide increasingly comprehensive levels of coverage to keep your machines running at peak performance with steady uptime.

JCB PREMIER & POWERTRAIN COVER

Premier Cover offers protection for every part of your JCB machine from manufacturing or material defect for a maximum of 5 years or 6,000 hours.

For more details on Maintenance Plans please contact:
